## ACKNOWLEDGEMENT OF RISK AND LIABILITY RELEASE

I, Ross W. Duncan, have elected to participate in *Yampa River* (the "Tour") sponsored by The Archaeological Conservancy (the "Conservancy") in June 2016.

I understand that there are risks and hazards associated with this tour, including, but not limited to, injuries from accidents and falls. Further, I understand that the Tour may take place in areas with limited access to medical care and treatment which would be needed in the case of illness or medical emergency.

I hereby assume responsibility for any illness or injuries I might experience while participating in the tour, and I accept the above-described risks. I acknowledge that the Conservancy does not provide insurance coverage for my medical care or medical evacuation. I further release the Conservancy from any and all claims for damages as a result of my injury, death, property loss, or other losses sustained by me which are associated with my participation in the Tour.

I am in good health and capable of participating in moderate activity such as that involved in this Tour. I have read, and I understand and accept the terms and conditions stated in this document, and agree that this agreement shall be effective and binding upon myself, my heirs, and my estate.
